

# Gut Health Program

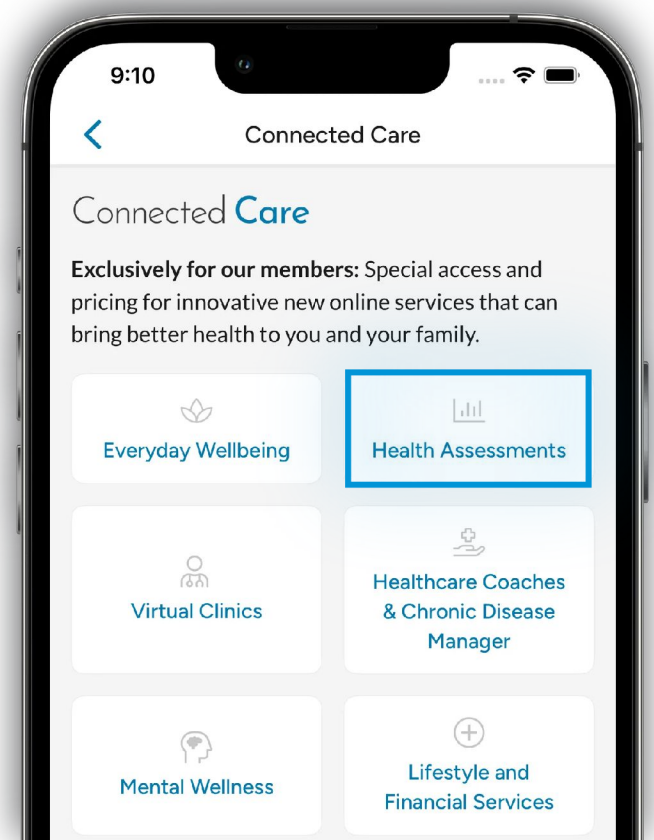

*Understand your gut health to help improve your overall wellbeing.*

Discover the root causes of digestive issues through two consultations with a registered dietitian who may recommend one of two advanced tests.

**Gutcheck:** Comprehensive analysis for digestive, energy, mood, or sleep concerns

**Gutcheck VIVO:** Includes the Gutcheck test plus additional testing specific for women's health needs, including hormonal balance and metabolism

- ✓ **Easy at-home test kit (shipping included)**
- ✓ **Personalized report with targeted recommendations**

**ACCESS THROUGH THE  
BLUE CROSS MOBILE APP!**

**Get answers  
from your gut!**
