## PROCEDURES FOR PRIOR AUTHORIZATION

Completed forms can be faxed in confidence to 1-514-286-8480 for residents of Quebec and 1-844-661-2640 for residents of all other provinces

Upon receipt, this request will be confidentially reviewed according to payment criteria developed by Medavie Blue Cross in consultation with independent health care consultants. In some cases, additional clinical or diagnostic information may be required to process your claim.

For Quebec residents, the criteria for prior authorization are adjusted to meet the requirements of the Régie de l'assurance maladie du Québec (RAMQ).

- Prior Authorization is a pre-approval process to determine if certain products will be reimbursed under a member's benefit plan.
- Please complete entire form. Incomplete forms cannot be processed.
- For certain medications, approval for reimbursement may be conditional on confirmation of enrollment in the patient support program.
- Prior Authorization may be limited to a specified period or quantity of medication.
   Some Medavie Blue Cross plans may require you to purchase a drug requiring prior authorization from a preferred pharmacy\*. If your prior authorization request is approved, a case manager may contact you, your physician, or Patient Assistance Program to provide information about the program and to arrange to have your prescription transferred to the preferred pharmacy.
  - \*Not applicable in Quebec.
- In cases where a request for Prior Authorization is declined, Medavie Blue Cross is denying payment for a product and is not challenging the medical opinion of the physician nor rendering a medical opinion.
- Any costs associated with the completion of this form or obtainment of additional medical information are the responsibility of the member.
- Renewal of the Prior Authorization will be considered by Medavie Blue Cross upon request from the patient/member. The renewal request should include information from the physician supporting continued use of the medication.
- Prior Authorization coverage is contingent on your continued status as a Medavie Blue Cross cardholder or beneficiary.
- If this is a request under the *Mesure du patient d'exception* for a Quebec resident, please include a completed *Patient d'exception* form that can be found here: <a href="www.medaviebc.ca/en/resources">www.medaviebc.ca/en/resources</a>, in addition to this document.
- If you would like more information about our Patient First Network, including how your Patient Support Program can become integrated with our new enhanced Prior Authorization processes, please send an e-mail to: patientfirstnetwork@medavie.bluecross.ca.
